EDESSA

- Bugünkü Şanlıurfa'nın eski adıdır.
- Suyu bol anlamına gelen kelimedir.

Edessa bugünkü anlamıyla Şanlıurfa dünyanın 3. yerleşim yeridir. Tarihin önemli olaylarına ev sahipliği yapan bu şehir Nuh Tufanı'ndan sonra Babil'de hüküm süren Nemrut tarafından inşa edilen 3. şehirdir. Bu şehir önce Arach ve Ruha sonra **Edessa**, Osmanlı Dönemi'nde Orhay (Urfa) isimlerini almıştır.

Yüzyıllar sonra Kurtuluş Savaşı'nda gösterilen kahramanca mücadeleden dolayı 22 Haziran 1984 tarihinde TBMM tarafından "Sanlı" ünvanını almıştır.

Yüzyıllardır tarihin önemli olaylarını ele alan memleketimize yakışır bir marka olmaktan gurur duyuyor ve **EDESSA MOBİLYA** olarak tarih yazmaya devam ediyoruz.

Mobilya sektöründeki deneyimimizi, taklit eden değil taklit ve takip edilen olmanın haklı gururunu sizlerle birlikte yaşıyoruz. Bursa'da 15.000 m2 alanda faaliyet gösteren fabrikamızda akrilik, laminant, uv lak, akripet, pvc membran kapak-laminant, pvc membran, lake kapı ve ofis mobilyaları imalatı yapılmaktadır.

Türkiye iç pazarında büyük bir paya sahip olan **EDESSA** yaklaşık 17 ülkeye de ihracaat yaparak ülkemiz ekonomisine katkıda bulunmaktadır. Profesyonel, uzman ve deneyimli kadrosu satış ve pazarlamada buluşup sizlere ulaşmaktadır.

İnşaat sektörü günümüzde hızla gelişip kendini yenilerken, paralelinde sektörümüzde bu yenilikleri kullanmak, geliştirmek ve uygulamak zorundadır. **EDESSA** Mobilya olarak yenilikleri ülkemizle birlikte sektörümüze kazandırmakla yetinmeyip takipçisi olmuştur.

EDESSA Mobilya Bursa ilinde 15.000 m2 kapalı alanda üretim yapmaktadır. Aylık üretim adeti kapak olarak 100.000 ile 200.000 adet arasında olup, 300 modül mutfak, 10.000 kapı ve 1000 takım ofis üretmektedir.

EDESSA Mobilya, Afganistan, Azerbaycan, Rusya, İran, Suriye, Kuzey Irak, Cezayir, Bulgaristan, Yunanistan, KKTC, Belçika, Fransa, Libya, Ukrayna, Fas, Dubai ve Almanya'ya ihracaat yapmaktadır.

Urfa is the third oldest city in the world.

From the flood incident in the era of the Prophet Noah, peace be upon him, to the era of the Nimrod's reign of Babylon, who ordered to construct it.

Its first name was Arach, after that it was called Rouhi, until it was named Edessa.

During the era of the Ottoman Empire, it was called Urhae, then Urfa. After hundreds of years and in the War of Independence, and because of its heroic stands against its enemies, its name was added to Shanli, so it became Shanliurfa, on June 22nd, 1984. when the Great Turkish People's Assembly announced its new name- Shanliurfa. The same name which we have given to our company EDESSA MOBİLYA.

Our experiences in the field of furniture has extended for many years, so there is creativity and keeping up with everything new. We never copy, but we create.

In the city of Bursa, covering a space of 15,000 square meters, our company lies with its activities and skills to produce all kinds of doors, kitchens and office sets, of several types

Acrylic, laminate, lacquer, kitchen cabinet doors

Acrylic PVC.

Mabran kitchen cabinets doors .PVC

Edessa company has many agents locally inside Turkey.

On the external level, it has so far exported its products to more than 17 countries in the world.

This supports the economy of Turkey, in addition to the experiences of those who are in charge of work, and specialists in this field as well as skilled in the art of marketing.

We, the Edessa company, keep updated with both the urban and constructive levels, we work hand in hand to provide everything required by the construction and foundation in the inner design, and this expands our experience to draw the final touches of each new modern kitchen.

The monthly production capacity of Edessa is as follows

Kitchen cabinet doors from 100000-200000. and within this number there are 300 models and colors.

Doors- 10,000 doors in various models and colors as well.

Complete office sets - 1000 sets of different models, colors and upon request.

Edessa has exported all kinds of its products to those countries.

Afghanistan - Azerbaijan - Russia - Iran - Syria - Northern Iraq - Algeria - Bulgaria - Greece - Turkish Cyprus - Belgium - France - Libya - Ukraine - Morocco - Dubai - Germany.

ان مدينة أورفا هي المدينة الثالثة على العالم وذلك من حيث القدم .

ابتدا من حادثة الطوفان في عهد النبي نوح عليه السلام الى عهد حكم نمرود في بابل وهو الذي أمر ببنائها.

كان اسمها الأول أراش وبعدها سميت روهي الى أن سميت اديسا.

وفي عهد الدولة العثمانية سميت أورهاي ثم أورفا. وبعد مئات السنين وفي حرب الاستقلال وبسبب

مواقفها البطولية في وجه الأعداء أضيف الى اسمها شانلي فأصبحت شانلي أورفا وذلك بتاريخ 22

حزيران من عام 1984, حين أعلن مجلس الشعب التركي الكبير مانحا لها هذه التسمية وأصبحت شانلي

أورفا. وعلاوتا على ماتقدم فقد أطلقنا هذه التسمية على شركتنا لتصبح

EDESSA MOBİLYA.

إن خبراتنا وتجربتنا في عالم الموبيليا تمتد لسنوات طويلة , لذلك هناك إبداع ومواكبة كل جديد ليس تقليدا

ففي مدينة بورصا وعلى مساحة تقدر ب 15000 متر مربع تقبع شركتنا بفعاليتها ومهاراتها لإنتاج كل

أنواع الأبواب والمطابخ وأطقم المكاتب , وذلك من أنواع عدة

الأكريلك-اللامينات- اللاكا- أبواب خزن المطبخ

PVC أكريبيت

PVC أبواب خزن مطابخ مبران .

ان شركة اديسا تحظى بوكلاء كثر وذلك على الصعيد الداخلي المنتشرون في مدن تركيا.

أما على الصعيد الخارجي فهي الى الآن وصلت تصدير منتجاتها الى أكثر من 17 دولة في العالم.

وهذا مايدعم اقتصاد الدولة التركية اضافة الى خبرات القائمين على رأس العمل هم اختصاصيون في هذا

المجال وبارعون في فن التسوق.

نحن شركة اديسا نواكب كل جديد وذلك على الصعيد العمراني والانشائي نعمل يدا بيد لنقدم كل مايتطلبه

العمران من أساس وفن للديكور وهذا مايزيد من خبراتنا لنعطي ونرسم اللمسات الأخيرة لكل صرح

عمراني جديد.

ان الطاقة الإنتاجية لشركة اديسا شهريا كالتالي

أبواب خزن مطابخ من 100000-200000 وضمن هذا العدد هناك 300 موديل ولون.

الأبواب 1000 باب بمختلف الموديلات والألوان كذلك.

أطقم مكاتب كاملة 1000 طقم بأنواع مختلفة من الموديلات والألوان وحسب الطلب.

ان شركة اديسا قامت بتصدير كل أنواع منتجاتها الى تلك الدول.

افغانستان- ازربيجان -روسيا- ايران- سورية- شمال العراق- الجزائر- بلغاريا- اليونان- قبرص

التركية-بلجيكا- فرنسا- ليبيا- اوكرانيا- المغرب- دبي- ألمانيا.
