EDESSA

- Bugünkü Şanlıurfa'nın eski adıdır.
- Suyu bol anlamına gelen kelimedir.

Edessa bugünkü anlamıyla Şanlıurfa dünyanın 3. yerleşim yeridir. Tarihin önemli olaylarına ev sahipliği yapan bu şehir Nuh Tufanı'ndan sonra Babil'de hüküm süren Nemrut tarafından inşa edilen 3. şehirdir. Bu şehir önce Arach ve Ruha sonra **Edessa**, Osmanlı Dönemi'nde Orhay (Urfa) isimlerini almıştır.

Yüzyıllar sonra Kurtuluş Savaş'ında gösterilen kahramanca mücadeleden dolayı 22 Haziran 1984 tarihinde TBMM tarafından "Şanlı" ünvanını almıştır.

Urfa is the third oldest city in the world.

From the flood incident in the era of the Prophet Noah, peace be upon him, to the era of the Nimrod's reign of Babylon, who ordered to construct it.

Its first name was Arach, after that it was called Rouhi, until it was named Edessa.

During the era of the Ottoman Empire, it was called Urhae, then Urfa. After hundreds of years and in the War of Independence, and because of its heroic stands against its enemies, its name was added to Shanli, so it became Shanliurfa, on June 22nd, 1984. when the Great Turkish People's Assembly announced its new name- Shanliurfa. The same name which we have given to our company EDESSA MOBİLYA.
